

Accommodation Ideas

If you are looking for accommodation for while you are attending Isira's Sydney programs we have prepared a list of ideas. (Please note that we have not personally stayed in these venues, so we are unsure of their quality and value).

There are two websites that may assist you to determine how you can travel from your accommodation to the venue.

1. The first is the Public Transport website: www.131500.com.au . Here you can put the address of where you are staying and the address of the venue and it will tell you how to get there by public transport.
2. The second is <http://www.whereis.com/nsw/sydney/> . This website will give you the driving directions from the accommodation to the venue.
